

Commercial One-Stop Landscaping Company

serving Northern California for over two decades

SERVICES AVAILABLE

• COMMERCIAL LANDSCAPE MAINTENANCE

Your commercial or industrial property will look more beautiful than ever when M. Rizzo Inc. Landscape Maintenance maintains your grounds. You need a company you can rely on and trust to mow, plant, fertilize, and weed to make your lawns, shrubs and flowerbeds luxurious.

• LANDSCAPE CONSTRUCTION AND UPGRADES

Landscape designs go out of style or simply wear out. Adding bright blooms around an entryway, a monument sign and even creating an entirely new landscape design are all cost-effective ways to enhance the look and value of your property.

• TREE CARE SERVICE

Your trees and property are in the hands of well trained, qualified tree care professionals with years of experience in the tree care business that can evaluate your trees and make recommendations with confidence.

• COMMERCIAL SWEEPING

M. Rizzo Inc's street sweeping cleaning service that caters to real estate owners and retail property managers for their strip malls, apartment complexes and commercial buildings.

Reliable Multi-Media Communication with 24/7 Customer Service

M.Rizzo Inc. is a Northern California based company providing innovative and reliable customer service and one-stop landscape maintenance services and construction for commercial buildings, housing developments and apartment complexes. Our innovative and reliable 24/7 customer service are the traits that set us apart from all the others. Multi-media communication for immediate contact with any employee within the company saves you time and money.
